VARSITY FOOTBALL

Marty Maberry warms up before the game.

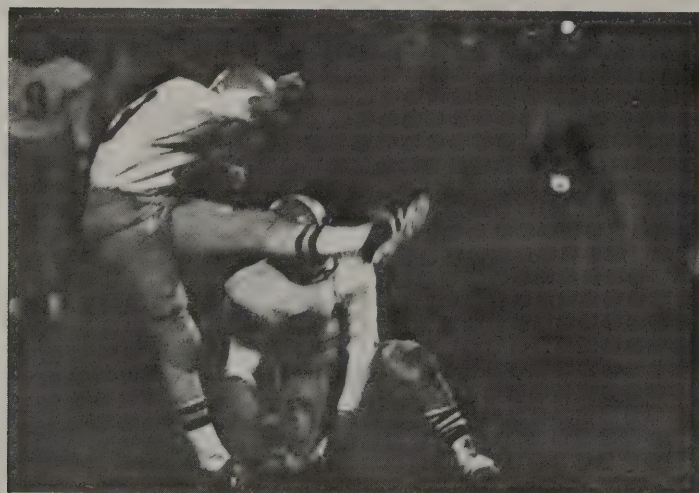

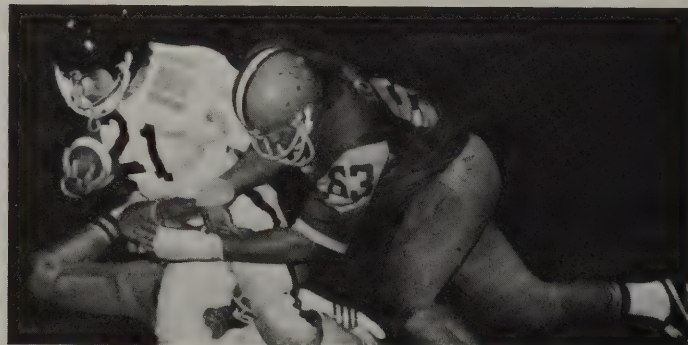

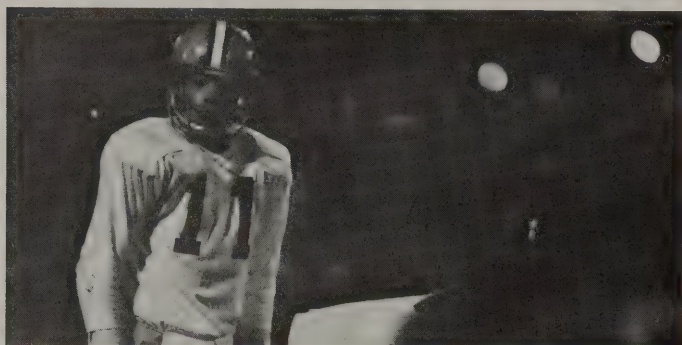

A fine combination of talent, coaching and support led to a roaring season, marred only by one defeat. The Lions stayed in the race until the final league game in which we were upset by Nooksack 14-8. This came after the Lions had defeated Meridian twice by scores of 27-0, 21-0, Mt. Baker twice by 24-7, 13-12, Blaine 48-12, Nooksack 17-7, and Lynden Christian by a score of 20-0. In a crossover game with the Cascade league the mighty Lions finished their season by walking over Lakeside with a final score of 37-13.

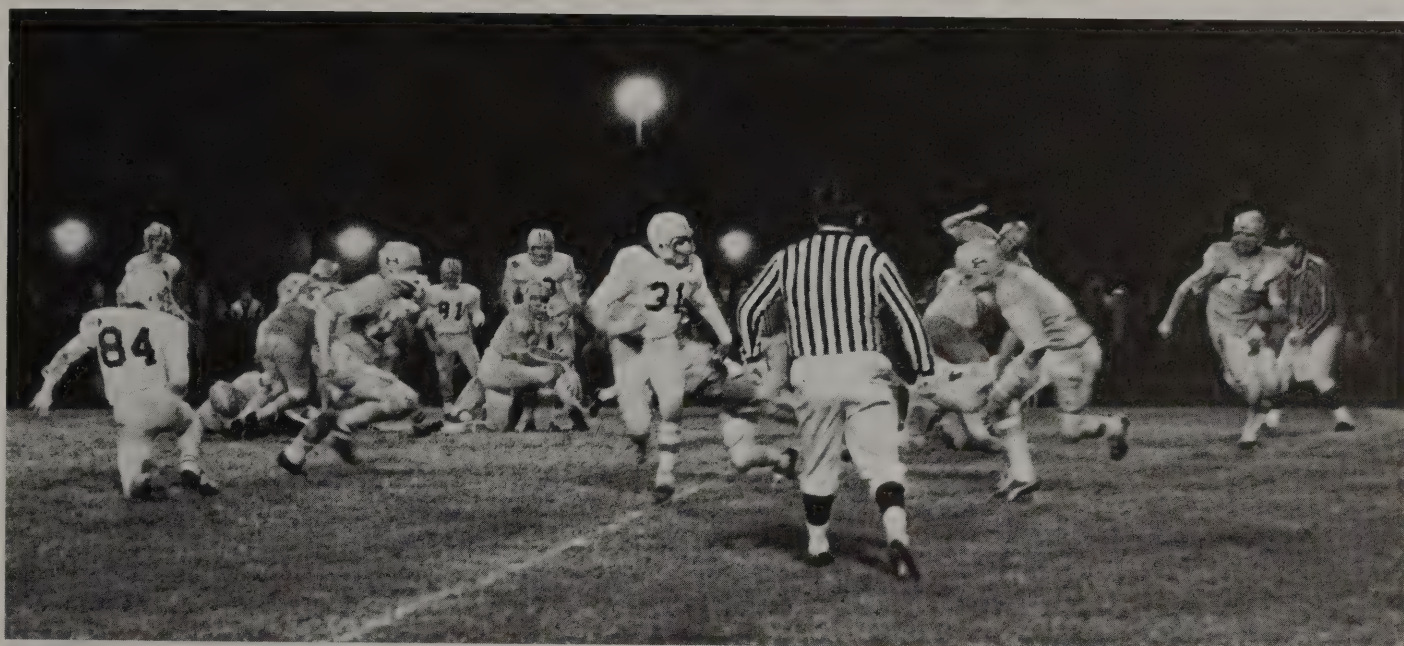

Lynden, beyond a shadow of a doubt, had an excellent season. Seven of its members were named to the all-county team.

A lot of the success is due to a hard working coaching staff. This staff was composed of Head Coach Mr. Rollie De Koster, and assistant coaches Mr. Rob Lonborg, Mr. Ross Boice, and Mr. Terry De Valois.

The Elmer Clarkson Inspiration Award went to Randy Bajema. For the second year in a row the Most Valuable Player Award was presented to Randy Höncoop. Terry De Koster received the High Tackle Award. The Spirit Award was given to junior Dan Crabtree.

With the superb coaching staff and undefeated junior varsity squad combined with the remaining varsity team the Lions are looking forward to another victorious year.

The sophomores were: Ron Vannice and Mike King; and the freshmen were Dean Cox and Clyde Libolt. They all did a fine job and put out their best.

Basketball

The Lions entered the 1973-74 season with an unusual situation for Lynden teams - Lacking a Big Man! Although we were outsized by almost every team, the boys always gave an excellent account of themselves. The team made up for the lack of size by excellent shooting, good team speed, and good old fashioned hustle!

Outstanding games were turned in against non-league opponents, Arlington and Lake Stevens. In league competition, our better games were against fine Mt. Baker and Blaine teams.

Although fighting in the toughest league in the state, our boys won a spot in the Northwest District Tournament. Here we jelled to play our best basketball of the season, defeating fine Lakeside and Sultan teams. In our last game with Blaine, it looked as if a State Tournament berth was ours, but with a bad bounce of the ball, Lynden lost a tough one, by a single point.

Outstanding seniors lost by graduation are Randy Honcoop elected Inspirational winner, Hustler Randy Ellis and Terry DeKoster, "Mr. Hustler and Defense".

Marty Maberry and Ned Vander Ploeg were our top scorers, and both were selected to the All District team! We will miss these fine young men!

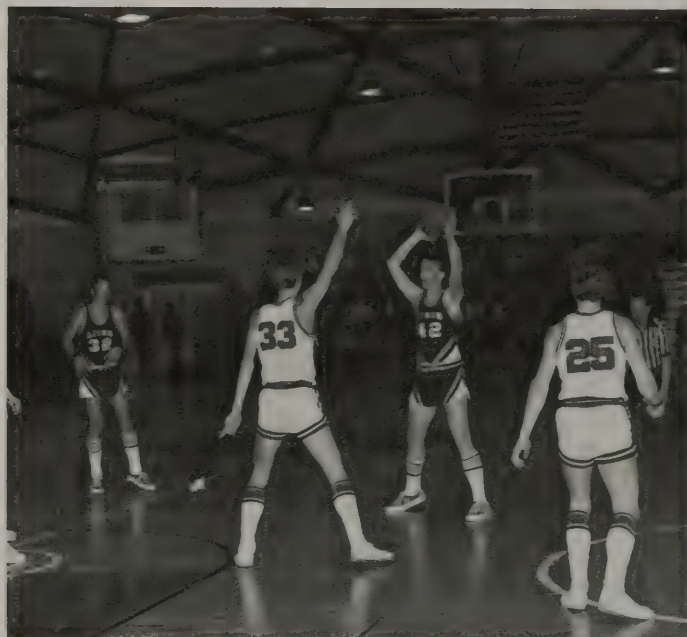

Under the excellent coaching of Mr. DeKoster with the J. V. and Mr. DeValois with the junior high team, basketball at Lynden has a bright future.

Finally, I shall not forget the Team of 1974. Although not a big physical team--they played with the most important thing of all - "A TEAM WITH A BIG HEART."

IT'S ALL IN THE STATE OF THE MIND

If you think you're beaten, you are.

If you think you dare not, you don't;

If you'd like to win, but think you can't

It's almost a cinch you won't.

If you think you'll lose, you're lost,

For out in the world you find

Success begins with a person's will;

It's all in the state of the mind.

Full many a race is lost

Ere ever her work begun.

Think big, and your deeds will grow;

Think small and you'll fall behind.

Think that you can, and you will

It's all in the state of the mind.

If you think you're outclassed, you are:

You've got to think High to rise.

You've got to be sure of yourself before

You can ever win a prize.

Life's battles don't always go

To the stronger or faster woman

But sooner or later the one who wins

Is the one who thinks she can.

pacific northwest express

We were honored to have a rock group, Pacific Northwest Express, from the Army here at Lynden High School. They presented one of the best assemblies this school has ever had.

The students really enjoyed a chance to hear good rock music. The group did such songs as; "Love The One You're With", "Beginnings", "Daddy Don't You Walk So Fast", "The Letter", and others. The group started their first few songs slow and easy. When they started getting into the music, they gave the audience a chance to boogie with them.

The group members consist of: Willie Devone-organ, Donald Mack-bass guitar, Andy Johnson-keyboard, Edward Munana-drums, Condry Robbins-horns, and Hector Briones-lead guitar. This group was formed for the purpose of good public relations. The Army pays for their equipment and clothes while they are traveling. Through this group, the Army is trying to encourage students to enlist.

homecoming

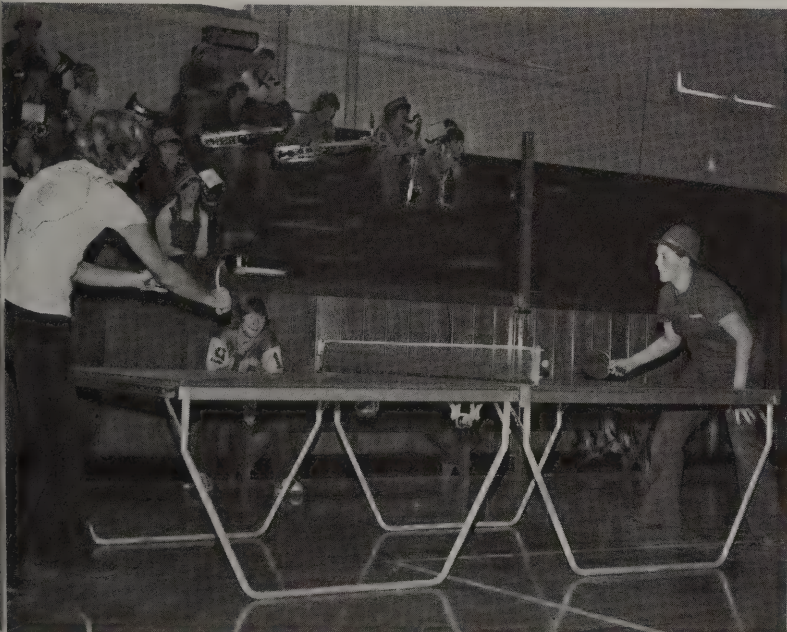

Homecoming week of 1973-74 was a week of nostalgia. The theme was "The Lions' Roaring Twenties". Each class had their own special day. The juniors set the mood with "Bonnie and Clyde Day." They were followed by the Sophomores who had "Depression Day." Next came the Freshmen, with "Backward Day." Finally the Seniors with "Hats Off to the Green and Gold". The week was brought to a climax on Friday with the Homecoming Coronation, pep assembly, and serpentine downtown. The juniors were awarded first place for their float, with the Sophomores taking second. Preceding the football game, there was a giant bonfire at the north end of the field. The ASB sponsored the dance that followed.

Spaceboy freezes Mean Minnie.

This year's senior class presented a three-act play entitled "Lemonade Joe Rides Again". It was a child's play about a young boy named Tommy who jumped into the T.V. (like "Alice In Wonderland" who entered the mirror) to save his favorite television hero, Lemonade Joe. During the course of his adventures he encountered characters who in real life were his mother, father, two horrible neighbors, a teacher, and a friend. He also met two sissy outlaws who alternated characteristics with Horrible Hester and Mean Minnie, the two outlaw sisters.

The show was high-lighted by the delightful horse, Arabelle, who along with Dr. Mirakle put together his show of wonders. There was also a network foul-up and Spaceboy appeared on the scene.

The play ended with Tommy saving Lemonade Joe and leaping through the television back to reality.

expo 74

This marks the second year in a row that the Lynden High School band and choir have toured Eastern Washington. They gave concerts at various high schools and Wenatchee Community College.

The group left Lynden High May 6 at 6:30 in the morning. The first stop was Mt. Vernon High School, and then on to Sultan High School. Quincy was the final stop for the day. An eight o'clock concert was given that night at the high school.

The next day it was on to Spokane and Expo 74. There, under the direction of Mr. Dave Reff, the band gave a morning concert and the choir gave an afternoon concert. Most of the day was spent looking over the World's fair site and all its exhibits from around the world.

Leaving Spokane on May 8, the band and choir headed for Wenatchee to give yet another performance. Before leaving Wenatchee, the members mobbed McDonalds for a bite of lunch. Then back on the buses for a long bus ride home. A stop was made in Everett for supper. That night two bus loads of tired kids arrived back in Lynden. It was a long three days, but all were glad to have had the experience.

AFS Members Serve in Football Concession

a.f.s.

AFS Advisor, Mr. Springer; and AFS President Colleen Buizer.

This Year's Foreign Exchange Student, Bernie Willynck, Finds Students "Friendly and Nice".

Bernie Takes His Place in LHS Bread-Line

I realize that this year in Lynden has been passing fast. Maybe, too fast! About 18 months ago, I didn't know anything about AFS, but I knew that one day I would go to the USA because it was the most amazing country to me. Before I came here, I was confused about the USA. On one hand, this country was like a big Disneyland. But on the other hand, I've heard more about pollution, murder, drugs, etc. in the last five or six years. I realize now that it is impossible to have a complete idea about the U.S. because it is so different from one community to another. The experience I had here has been one of the best in my life. I will go back to France much more mature. Here, I learned to be more flexible with people and to understand them better.

I enjoyed attending Lynden High School because it is very different from all the schools I have attended. Only in America, I found school spirit so important in your school life. School is much more important in your social life. Maybe I should say that you don't give enough effort to the academic subjects, but I think the most important thing in life is not to be the smartest, but to be the most responsible. Everybody has always been very friendly and nice, and that means a lot to me. It will be very hard to say good-bye to all my friends but: "ce n'est qu'un au revoir".

I will never forget Lynden and everything that has been done for me. I would like to thank the AFS Chapter, but especially Mr. and Mrs. LeCocq, who have been so helpful to me, and of course, my two host families: Mr. and Mrs. Stauffer and Mr. and Mrs. Wall.

annual staff

There comes a time when every annual editor leans back in her chair, puts her feet up and takes a deep breath. That time is when the last page is sent in and all the paper work is done. This annual editor is no different. When I look back on this past year, with all its hair pulling, nail biting, and sleepless nights, I wonder how the staff and myself made it through.

As assistant editor, Sheryl Hillmer gets the whole problem next year. I couldn't have made it through the year without her behind me. Elizabeth Pearson had the fun job of balancing the books and doing pages on the side. I really appreciate the help we got from Bonnie Rachinski, Jill Ten Kley, Renetta Yoder, Janet Bons, Dave Curbow, Mike Vail, Cindy Crabtree, Jackie Henken and Brenda Ronhaar. You really came through when the going got tough and the deadlines got close. Thanks go to Gareth Bolt for designing this year's cover.

I marvel at the patience that Miss Lambert has had with me. I've been a real trial. Miss MacKenzie really helped us out by adding her talents. She did most of the art work in the book, thanks.

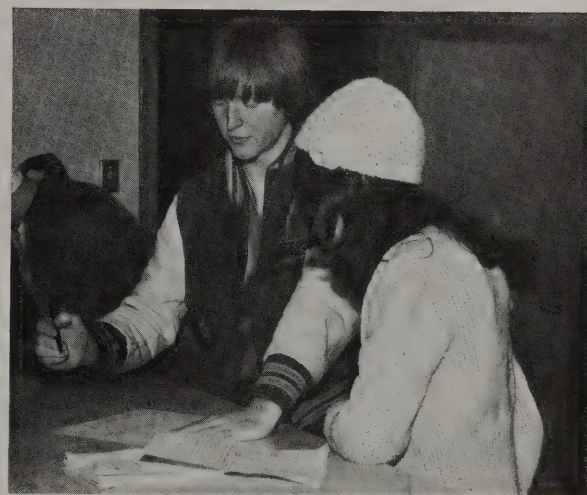

Without photographers we wouldn't even have a yearbook. Alan Yoder, Korey Judson, Dean Cox and Dan Crabtree have all been running around this past year with those pesky cameras, snapping pictures here and there. Thanks a lot guys. And above all, many thanks to our professional, Russ Clift, for his many hours of work.

As we wind this year up, I can't say I'm sorry to see it finished. Actually, I'm sitting here breathing a sigh of relief with my feet up on my desk.

ushers club

This year, the Ushers' Club was busy at football and basketball games, concerts, and various other school functions. At Christmas time, the Ushers had a Christmas party at Mrs. Wichers' house and this Spring, completed the annual task of making sandwiches for John Deere Day. A banquet was held at Roy's Chuckwagon to end the year's activities. There, officers were chosen for next year and club members each gained five pounds! Mrs. Wichers was honored as this was her last year as Usher's Club advisor. Everyone in Ushers' Club agreed- It was a good year!
